Klaussner Outdoor

Innovation That Delivers

Each piece of Klaussner Outdoor is built on a foundation of comfort, style and durability.

- **Comfort:** Our seating is designed with the right scale and pitch to maximize comfort. When combined with our exclusive ClimaPlush™ quick-dry cushions nothing compares to the feel, look and function of our luxurious seating.
- **Style:** Each collection is an original design offering style and detail that sets them apart from the many look-alike styles in today's marketplace. Combined with our extensive line of performance fabrics, it allows you to create a look all your own.
- **Durability:** The latest and most durable synthetic materials are used to create products that stand-up to the harshest elements and your day-to-day use for years to come.

Always looking forward, Klaussner Outdoor is continually developing product innovations that have lead the way in outdoor furnishings. Our latest are:

- **RealisTEAK™** offers an alternative that has all the look and feel of natural Teak. Manufactured of the latest engineered polymers RealisTEAK™ offers consistent, long-lasting color without the routine maintenance.
- **Cordless Outdoor Power** in our new line of reclining chairs and chaise lounges providing the convenience of power to adjust your seating with the touch of a button for infinite positions. Using rechargeable power packs and weather resistant technology, power motion that's so popular inside the home has made its way outdoors.

As you will see on our website www.klaussneroutdoor.com or in this catalog these are just a few of the features and benefits that we offer. Our full line up of furniture collections, wide range of performance fabrics and even an assortment of outdoor accessories can meet any need or desire. Our manufacturing and management team in Asheboro, NC look forward to helping you create an outdoor environment that's uniquely yours.

RealisTEAK™

Never worry about maintaining the original color.
